

A Healthcare Recruitment Consultancy

We offer customized healthcare recruitment solutions to the healthcare community across the UAE & GCC

About Us

Fast Track Solution was established in 2013 with an initiative to provide suitable medical professionals across the UAE & GCC. Our main recognition revolves around identifying and hiring qualified healthcare professionals in western countries to upkeep the region's vibrant healthcare sector.

Fast Track has a proven track record of recruiting the best healthcare professionals across the United Arab Emirates. We are an affiliate of Pharma Solutions, a well-established pharmaceutical company in Dubai with over 12 countries across the MENA region.

Our Aim

Fast Track Solutions aims to bridge the gap in the healthcare system by providing the right and high-caliber medical professionals to the healthcare institutions across the UAE & GCC.

Mission

While we understand the dynamics of the healthcare industry, our mission is to provide exceptionally skilled medical professionals across UAE's healthcare organizations. Thus enabling us to provide and maintain high-standard and customized service to our clients.

Vision

To be the leader in providing the best healthcare professionals across the UAE and worldwide with our in-depth understanding of the local licensing procedures and mandates required for individuals to become healthcare professionals in the region.

Our Objectives

Fast Track Solutions endeavors to constantly expand its healthcare database consisting of professionals settled abroad in UAE & GCC. As a company, we strive to carve a niche for ourselves as a specialty healthcare recruitment consultant in the region and facilitate the Hospital's HR needs.

Healthcare Service Provision

Fast Track Solutions has studied the UAE healthcare system closely. The healthcare system in UAE has matured with massive growth in the past. With the increase in medical tourism and Dubai's aims to retain and attract while developing the healthcare workforce, the initiatives are well placed for the expatriates. Thus, it allows us to provide the best healthcare manpower solutions.

Our Services for the Healthcare Employers include:

- + Support with finding the right employee whose aim aligns with your healthcare system.
- + Offer professional support during the recruitment to the employers and candidate.
- + Help you with the salary negotiation.
- + Provide you with all the information you need about the candidate.
- + Advise the employee on the ways to get the relevant licenses and documents to start his/her career in UAE at your firm.
- + We have an excellent database of licensed doctors with all major specialities.
- + Our database consists of qualified board-certified and western-trained doctors who are exempted from medical exams as per UAE Medical PQR. Hence in a short span the doctors can be on boarded.
- + We give you the niche database of specialized western qualified and licensed healthcare professionals.
- + We conduct the initial screening.
- + End-to-end recruitment.

Licensing

We help healthcare professionals relocating to the UAE with accurate information and with all the licensing they require to start practicing in the region. As to start practicing it is vital to obtain a registration in The Dubai Medical Registry.

- + We know the importance of HAAD, MOH, DHA and DHACC, licensing, and its care.

Why Us?

We help you to get super-specialized and difficult to source doctors and healthcare professionals in the UAE and neighboring regions like Bahrain and Saudi Arabia from across the globe. We are now opening up our service in Qatar, Oman and Kuwait.

1. We have a very effective database of experienced and self-driven doctors, nurses and other medical staff.
2. We deploy specialized Nurses in bulk for Hospitals, Rehabilitation Centres and Home Health Care Facilities in the UAE.
3. We source nurses from India, the Philippines, Nepal and Jordan.
4. We source doctors from the UK, USA, EUROPE, AUSTRALIA, CANADA, INDIA and Pakistan through our partner agencies.
5. We have placed some super specialized doctors like Pediatric Neurologist, Medical Oncologist, Hemato Oncologist, Interventional Radiologist, IVF Experts, Neonatologist, PICU Specialist, Spine Surgeon, etc,
6. Other than medical staff, we have also done the placements of non-medical senior Executives like Head of Service Excellence, Head of IT, Head of Digital Marketing, Head of Finance, Head of Marketing Chief Operating Officer etc.

Company & Culture Training

We ensure that each candidate arriving in the UAE for the first time as a professional undergoes the cultural training which includes values, traditions and work ethics of the region.
