Thank you IFANglobal for helping me to get US Visa for my family and providing me the opportunity to work as RN there. I was worried about how to apply for job in US then I got a call from IFAN GLOBAL, who work to bring good opportunities for medical professionals to work abroad. Initially, Team guided me through the process especially with interview and motivated for the further process that's how I grabbed the opportunity to work abroad. I would recommend to all my nursing friends who dream to work abroad to take genuine guidance through IFAN GLOBAL

I am writing this email to express my sincere gratitude for the guidance and support you have given me during my entire process. I am extremely impressed for the service you provided me. I am thankful to Ifan global for all the help without which I could not have reached here. Ifan global has helped me to clear my Skype interview and helping me to get into best hospital. Complete end to end support for visa and immigration. Compliance team helped me in each step of documentation. They were available for me anytime whenever I have called. I strongly recommend this prestigious team to all my fellow nurses and friends...
